

**Product information for networked equipment as per Regulation (EU) n° 801/2013**

**Model identifier**

**FCM925NRL**

<b>Standby power consumption [W]</b>	<b>1</b>
<b>Standby power management delay [min]</b>	<b>0</b>
<b>Off mode power consumption [W]</b>	<b>0</b>
<b>Off mode power management delay [min]</b>	<b>0</b>
<b>Networked standby power consumption [W]</b>	<b>0</b>
<b>Networked standby power management delay [min]</b>	<b>0</b>
<b>Networked standby power consumption with all wired network port</b>	<b>0</b>
<b>How to activate wireless network port</b>	<b>-</b>
<b>How to deactivate wireless network port</b>	<b>-</b>
