## Frigider

CFBD 2450/2E

- ✓ Clasa F
- ✓ Rafturi din sticla

### CARACTERISTICI

|                            |                     |
|----------------------------|---------------------|
| Nume produs /Cod comercial | CFBD 2450/2E        |
| Codul produsului           | 34900349            |
| Cod EAN                    | 8016361895034       |
| Instalare                  | Built in            |
| Categorie produs           | Congelator superior |
| Tip produs                 | 2 usi               |
| Tehnologie racire          | Static              |
| Afisaj                     | Nu                  |

### CARACTERISTICI TEHNICE

|                                      |         |
|--------------------------------------|---------|
| Conectivitate                        | Nu      |
| IoT App                              | None    |
| My Zone                              | no      |
| Humidity Zone                        | no      |
| Dry Zone                             | no      |
| Antioxidant Zone                     | no      |
| ABT                                  | no      |
| T-ABT                                | no      |
| Fresher Shield                       | no      |
| Fresher Sensor                       | no      |
| Fresher Pad                          | no      |
| Fresh Box                            | no      |
| Day Light                            | no      |
| Instant Cool Box                     | no      |
| Auto Ice Maker                       | no      |
| Direct Access drawer                 | no      |
| Aparat de gheata                     | Nu      |
| Racitor - zona fresh                 | Nu      |
| Sețiune frigider proces dezghetare   | Manual  |
| Sețiune frigider proces dezghetare   | Automat |
| Garnitura                            | Pull    |
| Lumina                               | LED     |
| Coloana Multiflow                    | Nu      |
| Ventilator interior sețiune frigider | Nu      |
| Curent (A)                           | 0.8     |
| Frecventa (Hz)                       | 50      |
| Tensiune (V)                         | 220-240 |
|                                      |         |

## DISPLAY

|                           |                         |
|---------------------------|-------------------------|
| Pozitie interfata control | Panou de comenzi intern |
| Interfata de control      | Mecanic                 |
| Modul vacanta             | Nu                      |
| Blocare                   | Nu                      |
| Smart Cool                | Nu                      |
| Funcctie de super racire  | Nu                      |
| Super Freezing            | Nu                      |
| Temperatura reglabila     | Frigider                |

## ESTETICA

|                                                       |                          |
|-------------------------------------------------------|--------------------------|
| Culoare principala produs                             | Alb                      |
| Rafturi usa                                           | Profil cromat            |
